BATH / VANITY LIGHT

Parlor 3 & 4-Light Vanity Lights

Cone shades line up above the mirror, giving the Parlor Vanity Lights a clean, classic row of warm light. Evenly spaced arms cast a soft, shadow-free glow that's ideal for grooming and daily routines at a wide or double vanity. The candle-style detail matches the rest of the Parlor collection, so it's easy to coordinate a light above the mirror with a chandelier down the hall. Finished in Black, Brushed Nickel, or Satin Gold, it turns the bath into a polished, well-lit space.
