WALL SCONCE

Parlor Wall Sconce

Light the mirror with the Parlor Wall Sconce, a single cone-shaded dome that adds warm, classic detail beside the vanity. Its compact hooded shade throws a soft glow up and down the wall, flattering skin tones without glare or harsh shadows. Sized to flank a mirror in a matching pair or stand alone above a powder-room sink, the sconce brings the same candle-style detail as the rest of the Parlor collection. Finished in Black, Brushed Nickel, or Satin Gold, it turns everyday grooming light into a polished bath detail.
