CEILING FAN

Gossamer 52 & 60-in. Ceiling Fan

Keep a bedroom, living room, or covered porch comfortable year-round with the Gossamer Ceiling Fan. Its three clean blades move steady, quiet airflow on an efficient DC motor, and an integrated 1,200-lumen LED adds a warm glow overhead so one fixture handles both cooling and light. The damp-rated build stands up to a porch or sunroom, a full-function remote sets speed and light from across the room, and the motor reverses to circulate warm air in winter. Two spans — 52-in. for a bedroom, 60-in. for a great room — in Brushed Nickel, Matte Black, or Matte White.

PRODUCT	Gossamer 52 & 60-in. Ceiling Fan
