BATH / VANITY LIGHT

Gila Vanity Lights

A row of cylindrical glass shades spans the mirror to give the Gila Vanity Lights a clean, modern presence. Evenly spaced shades wash the vanity in bright, warm, shadow-free light that flatters everyday grooming, and clean lines coordinate across the whole Gila collection. Three widths — a 2-light for a powder room, a 3-light for a standard vanity, and a 4-light spanning nearly three feet for a wide or double sink — each in Black, Brushed Nickel, Chrome, or Satin Gold.
