BATH / VANITY LIGHT

Haily Vanity Lights

A row of tapered clear-glass shades spans the mirror to give the Haily Vanity Lights a clean, transitional presence. Evenly spaced shades wash the vanity in bright, warm, shadow-free light that flatters everyday grooming, shaving, and makeup, and clean lines coordinate across the whole Haily collection. Three widths — a 2-light for a powder room, a 3-light for a standard vanity, and a 4-light spanning nearly three feet for a wide or double sink — each on warm 3000K bulbs included.
