RING CHANDELIER

Elara Ring Chandelier

A slim Antique Brass ring casts an even, warm glow overhead while staying open and airy, never blocking sightlines across the room. The Elara Ring Chandelier crowns a dining table, entry, or great room with a sculptural geometric form that suits both traditional and contemporary spaces. Two sizes — a 30-in. for a standard table and a wider 36-in. for a larger room or open stairwell — hang at eye-catching height without overwhelming the space. A statement piece that turns the ceiling into a focal point, night after night.
