OUTDOOR WALL LANTERN

# Lumos Outdoor Wall Lantern

A classic caged lantern in matte black, the Lumos Outdoor Wall Lantern brings a warm, welcoming glow to entries, garages, and porches. Its clear glass and open framework cast an even single-bulb light that reads clearly after dark, and the wet-rated build shrugs off rain, sun, and season change. Three heights — 10, 13, and 16-in. — let you scale it to the door or run a matched pair, all taking a standard E26 bulb (6W LED included).
