CHANDELIER

Haily 5-Light Chandelier

Classic candle-style form meets warm, layered light in the Haily 5-Light Chandelier. Five slender arms fan out from a central column, casting a soft, layered glow over a dining table, entry, or stairwell. Its larger scale and drop-down chain make it a natural centerpiece for a room with higher ceilings, and it pairs with the smaller Haily fixtures for a matching suite. A statement chandelier that anchors the room with timeless, transitional style, in Satin Gold, Brushed Nickel, and Black.
